

Special Notice Regarding Justen Trail Speed Bump Installation

On or about Friday, May 2nd, in violation of the Grant City Code, a private individual directed a contractor to install speed bumps on Justen Trail. The individual did not first obtain a permit from the City or its Engineer. The installation of the speed bumps was not authorized or otherwise approved by any member of City staff or the City Council. Grant City Code requires the issuance of a permit by the City Engineer before specified work can commence within a City right-of-way. The City is working to resolve the matter, remove the speed bumps and abate the conduct prohibited by its Code. We appreciate your patience and understanding.
